Dear Mr. Mirza Ismail,

Many thanks for your kind letter on my proposals for the using of the shops here for Education. I am very glad to hear that you think that there is something in it. Now that the Prince's visit is over, we have time to consider other matters and this among the number. I hope it may have luck in getting past the Government.

Yours sincerely,

Mirza M. Ismail, Esqr.,
The Palace,
MYSORE.
